Knowledge, Leadership, and Integrity

Knowledge, leadership, and integrity exemplify Dr. Howell Garner's time at Copiah-Lincoln Community College. Dr. Garner has been a member of the Copiah-Lincoln Community College family for thirty-three years, and he has served as president since 1997. During his tenure, Copiah-Lincoln has grown by leaps and bounds. Dr. Garner has overseen the opening of a third campus in Simpson County, the construction of Dow-Young, a state-of-the-art instructional facility, and during the 2007-2008, he oversaw the much needed renovation of Smith Hall. However, Dr.. Garner's biggest contribution has been making Co-Lin a college that cares. He employs faculty members that hold the belief that helping shape a young mind is one of the greatest contributions they can make to society. Dr.. Garner has commented, "I love administration because of its involvement with people." Dr. Garner exemplifies this in the way he interacts with students, faculty, and the community at large. He has received numerous honors. He has been the recipient of the Master Teacher Award from the National Institute for Staff and Organizational Development, the PTK Eta Omega Chapter Rod Risley Leadership Award, the PTK Shirley B. Gordon Award of Distinction, the Wesson Chamber of Commerce Leadership Award, and he was named Wesson Chamber of Commerce Citizen of the Year Award. Additionally, Dr.. Garner and his wife, Candace, are members of the Brookhaven First Baptist Church, and they have two sons, Brad and Justin.

Renovated

The Smith Hall project began at the end of the 2006-2007 school year. It ran all summer long, and it still lacked teh finishing touches when we retruned to school in the fall of 2007. Over the summer Darryl Jordan and hs staff faced many challenges, one being the constant flooding of Smith Hall, but Darryl and his crew perseverd. He worked with the construction company insuring that the project was completed correctly and as timely as possible.

When faculty and students returned in the fall, there was not a single need that Darryl and his staff did not do their best to meet or satisfy. Through all the trials and tribulations of the enourmous project, Darryl was never seen without a smile on his face and a joke to tell. All facutly in Smith Hall know how lucky we are to have someone of Darryl's caliber looking out for us.

After the renovation, all classroom were equipped with modern technology to enhance teaching and learning.

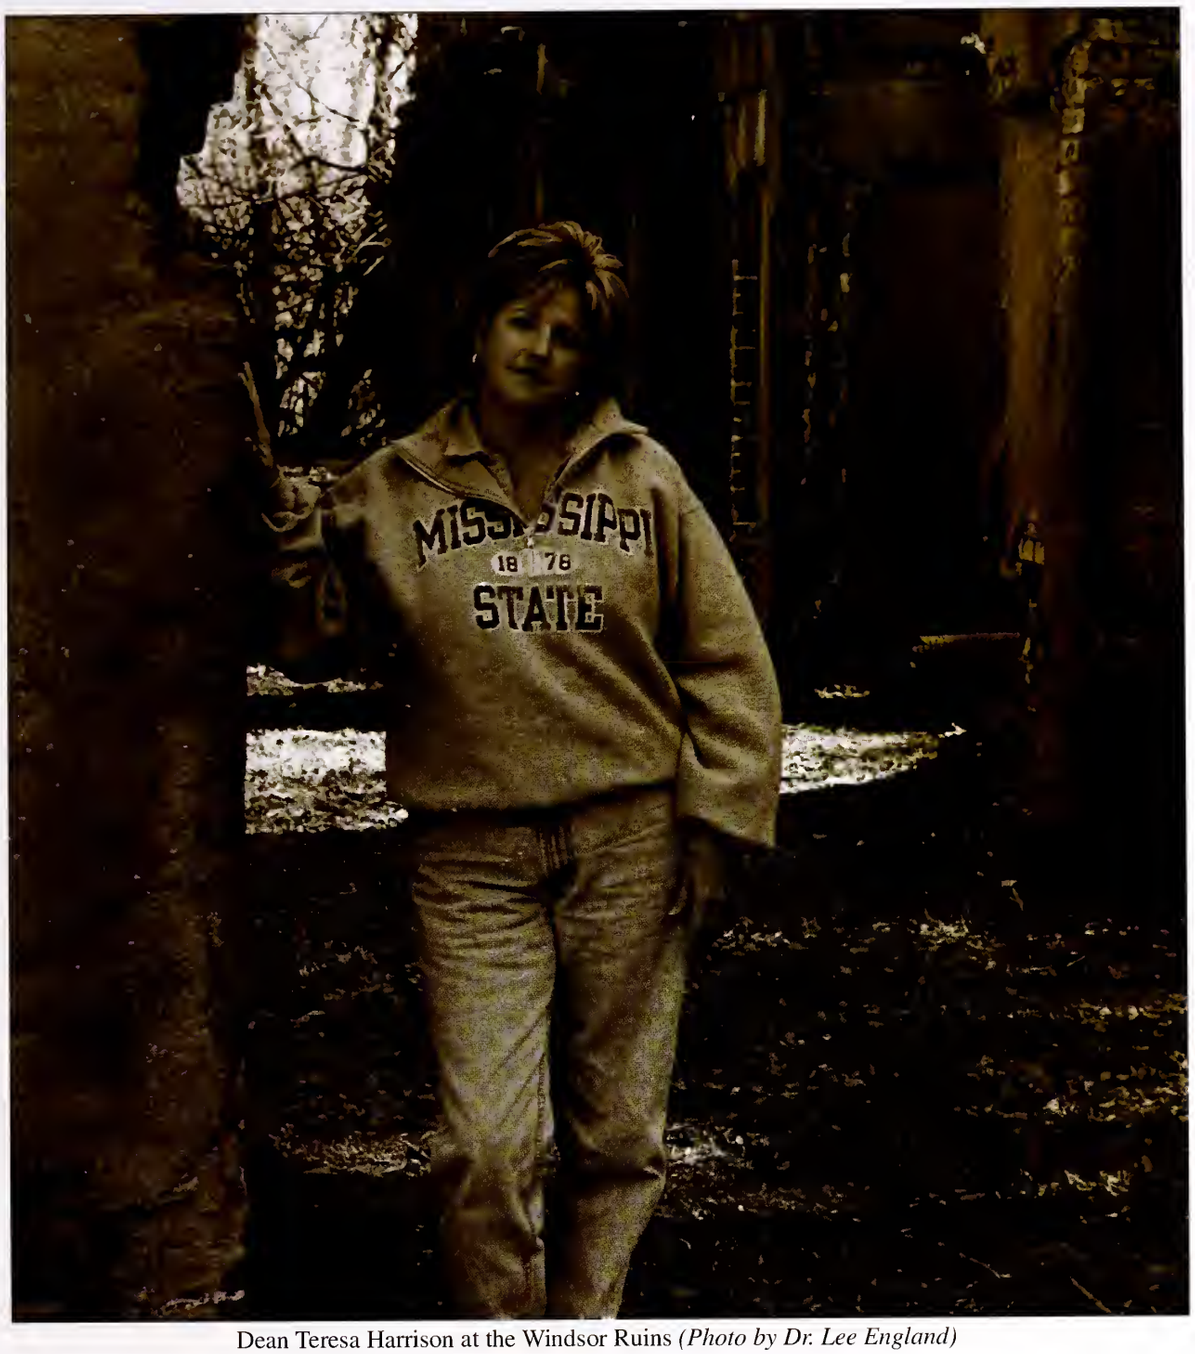
Co-Lin Natchez



Dean Teresa Harrison at the Windsor Ruins *(Photo by Dr. Lee England)*

Dean Teresa Harrison

Teresa A. Harrison has been dean of the Natchez campus since July 2006. She grew up on the Gulf Coast and graduated from Mississippi Gulf Coast Community College with an Associate of Arts degree. She earned her Bachelor of Arts degree cum laude in 1993 and her Master of Arts degree in 1999, both at Mississippi State University.

Prior to arriving at Co-Lin, Harrison served as the Director of Student Services and later as Vice President for Student Services in the two-year college system in Georgia. Before that, she was the Employee Relations and Development Coordinator in the Department of Human Resources at Mississippi State University.

Harrison is an active member of the Board of Directors for the Natchez-Adams County Humane Society and serves on the Board of Directors for the Natchez Little Theater. She is also a member of the Academics Deans Association in Mississippi.

Harrison's goal for the Natchez Campus is to continue its tradition of providing high-quality education and to increase the number of classes and programs available. "We strive to get to know each of our students individually and to encourage them to be the very best at what they decide to pursue. We have a dedicated and caring faculty and staff who are delighted to provide our students with the education and skills they need to have a productive life."

Harrison is the mother of two sons, John and his wife Ashley, who reside in Carlton, GA, with her grandaughter Allison Breanna, and William, who is a student at Mississippi State University and has recently joined the Army Reserve.

Her students consistently perform well at state PBL competition. Linda also is a valuable member of the Co-Lin family, having served on several campus committees and headed up and/or assisted with a variety of programs and events. Thank you, Linda; you deserve the recognition.

A fond farewell

In December, Dr. Howell C. Garner (at left) announced his retirement after 34 years with Co-Lin during a special meeting with the Natchez faculty and staff. He then announced that Dr. Ronnie Nettles, executive vice president (with Garner at left) will be the new president beginning July 1. Both Garner and Nettles are former Natchez campus deans.
